

Introduction to PDF/A

Friday, 19th November 2010, 13:00 - 17:00

Hubworking Centre, 5 Wormwood St, London EC2M 1RQ

The PDF/A Competence Centre (PCC) is marking the launch of its UK Chapter by hosting an introduction to the PDF/A (ISO 19005) standard for long-term archiving of electronic documents.

This half-day seminar offers attendees an opportunity to learn more about the ISO 19005 Standard from PDF/A experts, and see examples of how it is being implemented in both Europe and the USA.

The seminar will look in detail at

- What is the PDF/A standard and how is it used?
- What are the benefits of PDF/A?
- Which documents can be archived into PDF/A?
- What do PDF/A, PDF / A - 1a, PDF/A - 1b, PDF 2 mean?

The seminar speakers will address the following topics:

Introduction to PDF/A

Stewart Rogers, Chairman of UK PCC Chapter & General Manager of European Operations, Crawford Technologies Inc.

PDF/A for Scanned Documents

Gary Hodkinson, MD of LuraTech Ltd.

The PDF/A Family: Requirements, Conformance Levels and Timelines

Martin Bailey, CTO of Global Graphics Software Ltd.

PDF/A - Project Experiences Worldwide and Outlook to PDF/A-2

Thomas Zellmann, MD of PDF/A Competence Centre.

Join us after the event for a Networking session and Drinks

at The Great Eastern Hotel next to Liverpool Street Station, where attendees will have the opportunity to meet some of the key players in the PDF/A Competence Centre in the UK and Europe.

Cost: £150 (plus VAT) including refreshments – ‘early bird’ discount available (see the booking website for details).
